SCHANTZ PIPE ORGAN

at St. Armands Key
Lutheran Church

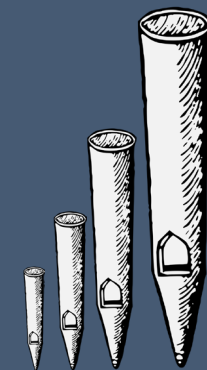

St. Armands Key Lutheran Church has been a bright light in our community for over 55 years. We are a place for meaningful worship, impactful community service, engaging educational opportunities, and inspiring music! We are excited about the installation of a custom-built pipe organ in our church Sanctuary - a musical legacy experienced by worshipers each week in-person & online, and by visitors and guests who attend programs sponsored by our Music Ministry. This new instrument will make music for generations to come!

WE NEED YOUR SUPPORT.

We are seeking to raise \$1.5 million for our Organ Project for the purchase of a world-class pipe organ and the creation of an Organ Reserve Fund to assure long-term support for the instrument's programming and maintenance.

Every gift is meaningful!
