

ST. ARMANDS KEY  
LUTHERAN CHURCH

*Here we are, Lord!*

## Here Is What Your Generosity Can Accomplish

---

Every gift to St. Armands Key Lutheran Church is an act of faith – and it matters. This year's campaign is about more than meeting a number. It's about what this congregation can accomplish together when we answer God's call to serve our neighbors.

### IF WE MEET OUR BUDGET

#### • Our Foundation

- We are able to fund our ministry at its current level, keeping every program and service we offer to our congregation and community running strong.
- We are able to add an Engagement & Growth staff position, allowing us to better connect with our community and invite new members into the life of this church.

### IF WE GO BEYOND OUR BUDGET

#### • The Extra Mile

- We are able to expand our ministry programs – including our music program, educational opportunities, and our outreach to the community through events and concerts.
- We are able to grow our staff, enabling us to do more while relieving pressure on the dedicated people who serve this congregation every day.
- We are able to lessen our dependence on the generosity of a small number of families, securing the financial foundation of this church for years to come.
- We are able to build our reserves against future disasters – such as hurricanes – and ensure the timely care and maintenance of our facilities and equipment.
- We are able to improve our audio-visual capabilities, including the livestreaming of worship and events, so that more people can share in the life of this congregation.

**OUR MISSION:** To serve those in need within the Sarasota and Manatee County areas by living into the Gospel of Christ, ministering to the needy, and seeking justice for all.
